### MISSION STATEMENT:

The Greater Topeka Hall of Foamers is formed to promote skillful brewing of fermented beverages through educational meetings, tastings, group brews and competitions

### OBJECTIVES:

1. To provide the support and education needed to help others excel in the art of brewing.
2. To help members stay abreast of new brewing techniques and the development of new beers by brewing, tasting and discussing critically all styles recognized by the Beer Judge Certification Program (BJCP).

BREWING IS FUN, EASY AND TASTY

The Greater Topeka Hall of Foamers home brew club is dedicated to teaching the brewing process to anyone who is interested. We enjoy brewing and tasting a wide variety of beer, wine, cider and mead.

The Greater Topeka Hall of Foamers homebrew club is dedicated to teaching the brewing process to anyone who is interested. We enjoy brewing and tasting a wide variety of beer, wine, cider and mead.

Our focus is on improving the brewing process of any interested brewer. In keeping with our mission, monthly meetings feature an educational session on making beer, wine, cider or mead.

Each month members bring samples of home brewed and commercially brewed beverages to share, receive feedback or just to make room in bottles and kegs for their next great brew!

### MONTHLY MEETINGS

Come join us at our monthly meeting to learn more about brewing beer, wine, cider and mead. Each meeting features an educational component where we learn more about brewing, and sampling fine home brew and commercial brews.

Our meetings are held the second Wednesday of each month at 7:00 PM. Locations vary. Visit [www.topekabrewers.com](http://www.topekabrewers.com) or our facebook page for the location of our next meeting.

### EVENTS

There are several events we hold throughout the year.

**Group Brews:** a get together of any interested members at a specific brewers house to see how they brew.

**Festivals:** We encourage members to participate in brew fests, and go as a group to many brew fests in Kansas, Missouri and Nebraska

**Competitions:** This year (2014) in November will be a homebrew competition. Brew up your best and enter it.

**Summer, Fall & Christmas Parties:** We get together as a group and share good food and good beer.

**Beer Trips:** We'll make the rounds of brew houses, brew pubs and specialty beer bars. Sometimes we even get a behind the scenes tour!
